THE clinic  
by Cleveland Clinic

- ➔ Have you ever challenged a medical opinion provided by your doctor?
- ➔ Is the surgery that your doctor recommended to you or your loved one clinically appropriate or medically necessary?
- ➔ Are there effective treatment options for a rare disease that you have been newly diagnosed with?
- ➔ Are there new and more effective medications for a chronic disease that you have been suffering with for many years?

We all face challenging medical decisions during the course of our lives. IMAS Healthcare as a company believes that managing illness and embracing wellness has never been made so easy if you choose to invest in health. You can now, from the comfort of your home, get a qualified virtual second opinion from a top US hospital for a loved one in India, regardless of where you live. We are proud to collaborate with The Clinic by Cleveland Clinic to deliver direct access to more than 3,500 expert physicians in over 550 advanced specialties from the world-renowned Cleveland Clinic.

Cleveland Clinic, an academic medical center known for medical breakthroughs since its founding in 1921, is recognized in the U.S. and throughout the world for its expertise and care. Its heart center is also nationally ranked and recognized as the global leader in cardiovascular care.
